1925 includes measures of the national assembly of the church of england which have
received royal assent

modern employment law covers all aspects relating to the employment relationship
between employer and employee at both individual and collective levels all chapters
are absorbing and exact with nuanced topics such as unfair dismissal discrimination
and trade union law being explored from several different angles pedagogical
features such as thinking points and further reading sections enable students to
consolidate and extend their knowledge though primarily aimed at llb students this
book offers a wide ranging accurate authoritative contemporary and readable guide
to modern employment law for all students of the subject at both undergraduate and
postgraduate level although a collaborative effort each author focused on specific
areas of employment law ann lyon examined the statutory rights of employees
including topics such as redundancy unfair dismissal and discrimination and equal
pay issues charles barrow had primary responsibility for the introduction the majority
of the contract of employment chapters and the collective aspects of employment
law

this is the twenty sixth edition of capital tax acts which has long been established as
ireland s definitive reference book on the legislation relating to stamp duties cat and

this is an indispensable collection of statutory and non statutory materials relating to charity law in england and wales revised to coincide with the implementation of the charities act 2011 a major consolidation of the charity law the handbook is an essential reference source for charity lawyers in house lawyers academics charities and voluntary organisations and their trustees available as three paperback volumes cd rom or both the mixed media option statutes range from the preamble to charitable uses act 1601 to the finance act 2011 it also includes relevant provisions covering data protection company law gambling and lotteries minimum wages freedom of information discrimination tax and vat along with a wide range of statutory instruments and the latest sorp new legislation since the second edition includes income tax act 2007 corporation tax act 2009 perpetuities and accumulations act 2009 academies act 2010 bribery act 2010 corporation tax act 2010 equality act 2010 charities act 2011 finance act 2011 this edition is also available on cd rom making more than 2000 pages of legislation and guidance portable and easy to search

this is the fourth edition of what is the leading practitioner s text on freedom of information law providing in depth legal analysis and practical guidance it offers complete authoritative coverage for anyone either making handling or adjudicating upon requests for official information the three years since the previous edition have seen numerous important decisions from the courts and tribunals in the area these and earlier authorities supply the basis for clear statements of principle which the work supports by reference to all relevant cases the book is logically organised so that the practitioner can quickly locate the relevant text it commences with an historical analysis that sets out the object of the legislation and its relationship with other aspects of public law full references to hansard and other parliamentary materials are provided this is followed by a summary of the regime in five other jurisdictions providing comparative jurisprudence which can assist in resolving undecided points the potential of the human rights act 1998 to support rights of access is dealt with in some detail with reference to all echr cases next follows a series of chapters dealing

with rights of access under other legislative regimes covering information held by eu bodies requests under the data protection act and the environmental information regulations public records as well as type specific rights of access these introduce the practitioner to useful rights of access that might otherwise be overlooked they are arranged thematically to ensure ready identification of potentially relevant ones the book then considers practical aspects of information requests the persons who may make them the bodies to whom they may be made the time allowed for responding the modes of response fees and vexatious requests the duty to advise and assist the codes of practice government guidance and its status transferring of requests third party consultation the next 13 chapters comprising over half the book are devoted to exemptions these start with two important chapters dealing with general exemption principles including the notions of prejudice and the public interest the arrangement of these chapters reflects the arrangement of the foi act but the text is careful to include analogous references to the environmental information regulations and the data protection act 1998 with each chapter the exemption is carefully analysed starting with its parliamentary history giving full references to hansard and other parliamentary material and the treatment given in the comparative jurisdictions the analysis then turns to consider all court judgments and tribunal decisions dealing with the exemption the principles are stated in the text with footnotes giving all available references whether to prepare a case or to prepare a response to a request these chapters allow the practitioner to get on top of the exemption rapidly and authoritatively the book concludes with three chapters setting out the role of the information commissioner and the tribunal appeals and enforcement the chapter on appeals allows the practitioner to be familiar with the processes followed in the tribunal picking up on the jurisprudence as it has emerged in the last eight or so years appendices include precedent requests for information a step by step guide to responding to a request comparative tables and a table of the foi act s parliamentary history finally the book includes an annotated copy of the foia act the data protection act 1998 the environmental information regulations 2004 all subordinate legislation made under them eu legislation tribunal rules and practice directions and the codes of practice contributors prof john angel former president of the information
